

2019-2020 COLLEYVILLE HERITAGE HS PANTHER BAND & DIAMONDS DANCE GUARD

Statement of Intent – Return on May 23, 2019 for entrance to the audition

Dear Parent: This letter is to inform you of the membership process, calendar of events, payment schedule and eligibility requirements for the 2019-2020 Colleyville Heritage HS Panther Band & Diamonds Dance Guard.

1. MEMBERSHIP

Each incoming student becomes a part of the Band and Dance Guard (hereafter referred to as “band”) by full participation in Spring Training Camps and the audition process in the Spring (Drumline and Dance Guard auditions are earlier). Each former member continues as a part of the band by participating in training camp and auditions and settling any outstanding payments from the prior year. Auditions are held for positions in the competition marching drill, Drumline and Dance Guard. Band members who do not earn a competition marching position through audition will fully participate as full member of the Colleyville Heritage Band and will be given opportunities throughout the marching season to earn a position and participate in the competition show. A student who has experienced attendance, academic or disciplinary issues in the past or experiences difficulty with attendance, grades or disciplinary issues during the 2019-2020 season may be limited in participation or denied membership at the discretion of the band director.

2. CALENDAR OF EVENTS

The **Colleyville Heritage Panther Band 2019-2020 Calendar** will be available in printed form and on the band website: www.colleyvilleheritageband.com during the beginning of June. Attendance at all events is required. Please note that events (rehearsals and performances) occur during school days, on weekends and “student holidays.” A student failing to meet the requirements of the band calendar may be limited in participation or have membership revoked at the discretion of the band director.

3. PAYMENT SCHEDULE

The **Colleyville Heritage Panther Band 2019-2020 Payment Schedule** is available in printed form and on the band website: www.colleyvilleheritageband.com. The band encumbers payments-in-advance based on the number of students participating, so this payment schedule must be met by all who commit to being in the group. All band families are expected to meet the payment schedule or through aggressive participation in the available fundraising opportunities. A student not meeting the payment schedule and/or not demonstrating full commitment to the suggested earning opportunities may be limited in participation or have membership revoked at the discretion of the band director. Any student who is having difficulty maintaining the payment schedule, may have a payment extension or alteration. Hardships should be directly communicated to the Band Booster treasurer. Communication and follow-through is key to maintain full participation throughout the program. Due to the nature of pre-paid operations, there can be no refunds of payments already made due to ineligibility, change in participation or change of schedule.

4. ELIGIBILITY REQUIREMENTS

Any student experiencing difficulty with grades may be limited in participation at any time at the discretion of the band director, even if before the official period of TEA mandated ineligibility. The band director will determine the level of participation regained if the student recovers eligibility. ***Reminder that all fees are non-refundable in the case of ineligibility.***

5. CARE OF SCHOOL ISSUED ITEMS

Any student who is issued any school owned item (instruments, uniforms, etc.) is expected to return the loaned item(s) in the condition it was issued. This includes any assessed fees for instrument or uniform repairs during the season due to negligent actions. These items must stay in the school's inventory for years to come and proper care must be taken in order for them to last.

STATEMENT OF INTENT

We, the undersigned, have read and understand these conditions of membership for me and my child.
