## Partnering with CHHS Band

The band relies heavily on the contributions of partners, as the budget received from GCISD only covers a portion of the group's annual expenses.

Corporate sponsorships cover costs to repair and replace instruments and equipment, pay staff and clinician fees, pay contest entry fees, build props, and so much more.

Corporate Sponsors get great exposure to large target markets at minimal cost!

- Metroplex area football games (home and away)
- North Texas area marching and drum line competitions
- CHHS student body, faculty, family and friends
